

THE MOUNT CARMEL TERRACES
OFFICIAL OPENING

Inaugural Events Office

1 April 2001

Transmitted electronically

To National Spiritual Assemblies

Dear Bahá'í Friends,

Enclosed please find a letter dated 1 April 2001. This letter contains important information for the representatives who have been selected to attend the official opening of the Terraces on Mount Carmel in May 2001. Please ensure that the letter is distributed to each participant from your country and the contents of the letter are clearly conveyed.

In addition, you are especially requested to make sure that the representatives are not incapable, owing to poor health or advanced age, of walking independently or otherwise conducting themselves physically. It would impose an unmanageable burden on the Bahá'í World Centre if a number of representatives should come here expecting physical assistance to get about.

With loving Bahá'í greetings,

Inaugural Events Office
